

Construction of upgrades and improvements to Phase VII Water System Improvements – Contract 1, Berkeley Township, \$2,569,373.00 were financed by the New Jersey Water Bank (NJWB). The NJWB is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (NJIB) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the NJIB to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide water quality benefits to the residents of Berkeley Township through the furnishing and installation of approximately 11,000LF of new 8-inch cement lined ductile iron water mains within the existing MUA Service area for residents and businesses in Veterans Blvd area of Berkeley Township.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
